Leisure Activities SALE INSTRUCTIONS.

We are proud to offer you this SPECIAL Leisure Activities Sale!

ALL Leisure Activities products are included in this "Sale" (LEISURE ACTIVITIES SALE)!

To place your order, you can simply speak to us at our show booth and we can build your order with you in person. You can also email your order AFTER the show to **Elena@leisureactcn.com**, or call us and speak to us on the phone to discuss and finalize your order before the sale ends. **A 20% deposit amount is required to get the order started** so that it will be delivered to when you want it to arrive.

When will you get your order? Simply let us know WHEN you would like to take delivery of your order. *If you don't want to receive them until April so that you can have them for the start of your season in May – that is fine. Let us know. We would bring your items in late March / early April so they are ready to ship to you when you want them. The balance (including the shipping) will be determined and paid in full just prior to final shipping to you. If you want the items sooner, or "right away", we will either ship you items from our current inventory, or ship you the soonest arriving stock that is available (Or delivered as soon as possible based on production).*

As with all inflatable units that Leisure Activities sells - blowers, anchor stakes, tarps and shipping are not included in the item price. If needed, those can be purchased separately from us and shipped along with your order. If you are a Florida Resident - any applicable state sales tax based on your final purchase price will be required as well. You do have the option of picking up your items in person upon arrival to the Florida Warehouse to save shipping cost.

We manufacture 100% of the inflatable units that we sell. Over the years, we have built a strong, positive reputation as a leader in this industry because of the high quality of our products, our customer service, our warranty support, and our very competitive pricing. We value and appreciate all of our past and current customers, and as a way to thank you for your past business and support we have decided to offer this sale to you. We also feel that this is a strong way to allow NEW customers, whom have not yet ordered from us, the opportunity to purchase Leisure Activities products so that they can see and experience first-hand what sets us apart from other manufacturers. Thank you for your continued support, and if this is your first purchase with us - thank you for giving us a try!

Thank you for your interest in participating in this very special sale. We look forward to the opportunity to work with you as you continue to grow and expand your inflatable business.
